ABOUT DAVID

David was born on October 29, 1962, in London, Ontario. His family came to BC in 1964. David settled in Campbell River with his family, wife Sandra and his son Kyle.

David loved to make people laugh and put a smile on the faces of everyone he met. Many people in the community considered him a friend. David was always happy, considerate and respectful. He always lit up the room when he arrived.

David's passing left an unbearable sorrow within his family and throughout the community.

David's legacy will continue and the David Rennie Memorial Golf Tournament will be a place where the community can gather to honour, cherish and share beloved memories of a great man.

DID YOU KNOW...

Since the covid pandemic, our intake requests have increased by an astounding 81%, and 83% of all clients are struggling with complicated grief and loss, such as death due to toxic drug overdose, suicides and sudden death. Although we have many highly trained volunteers to help individuals through the grief process, these complicated cases require a clinical counsellor's support which is an overwhelming operating expense.

We provide over 3200 client appointments per year to children, youth, adults and their families in Campbell River and surrounding areas.
